Dear City Clerk,

I am requesting documents pursuant to the California Public Records Act (Government Code Section 6256). Please see request below and provide a response to me within 10 days. If you have any questions, please feel free to contact me.

Any and all documents, including ordinances, policies, or procedures, that would indicate responsibility for sewer chimney repair and/or maintenance. A sewer chimney is a connector between one or more sewer lateral lines to the City's main sewer line. This information would most likely reside with the Public Works Department.

Very truly yours,

Jocelyn N. Sarigumba
